**Please note:** Attendees should wear boots with heels (if available), although tennis shoes will suffice. Clothing should be layered so that a sweater or jacket may be added or removed. T-shirts are OK but tank tops aren't allowed – shoulder sunburn. Long, tight pants are best. Bring a lunch (we have a refrigerator to keep it in) and a bottle or two of water. We will supply helmets and any tack you require. (Our facility is a smoke-free zone.). Note: parents/guardians must sign a release (downable from the web site above or email us at the above email address).
